## Step 1. Check the contents

Check the contents of this package, it must include:

- 1x ready to install CarOffice frame.
- 1x ratchet Tie down
- 1x CarOffice arm
- 1x Slide&Fix® laptop clamp

This installation sheet contains 2 pages

Please notify your dealer/reseller at once if one the items is missing.

## Step 2. Installation

Place your passenger seat in the upright position (pic1). Mount the CarOffice Manager frame to the backside of the seat. Hook the top two CarOffice frame supports around the head rest poles (pic. 2). Attach the CarOffice Manger arm to the frame. Move the frame up or down in a way so that the CarOffice Manager arm is horizontal and rests on the passenger seat (pic 3). Measure the distance between the lower (underside) part of the CarOffice frame and the underside of your seat. Secure the lower hooks and fix them was the small bolts. Attach the ratchet Tie down and secure the frame to the car seat (pic .4,5,6). Now place the Slide&fix® on the CarOffice arm.

## Warranty

CarOffice Manager is warranted free for 1 year of manufacturing flaws and material defects

## Step 3. Usage

Your mobile office is ready when you fix your laptop on the Slide&Fix® Laptop clamp. Take a seat in the passenger seat and place your laptop right in front of you. You can also work comfortably behind the steering wheel. Do not work with the laptop computer when you are driving. CarOffice can also be used in left hand steering cars. If you do not use CarOffice just only remove the arm. Leave the frame mounted for the next time.
