

CAROFFICE

CarOffice portable installation manual (1-2)

Step 1. Check the contents

Check the contents of this package, it must include:
1x Ready to install CarOffice portable frame.
1x Slide&Fix® laptop clamp

This installation sheet 2 pages.

Please notify your dealer/reseller at once if one of the items is missing.

Step 2. Installation time 1 minute

Mount the CarOffice Portable frame on the frontside of your passenger seat. Place the CarOffice hooks around the headset poles (pic 1). Mount the Slide&Fix® laptop clamp on the frame.

No tools needed

Warranty

CarOffice Portable is warranted free for 1 year of manufacturing flaws and material defects

Step 3. Usage

With adjusting the position of the back of the passenger seat you will be able to raise or lower the position of your laptop to a for you convenient height . CarOffice Portable is secured with your safety belt. Just flip up the frame if you do not need the laptop. The seating will then be free for your bag. A passenger cannot sit in this seat.

CarOffice is a product of DeltaNet bv The Netherlands

Step 4. Recourse on a warranty or guarantee against a third party

The use of CarOffice can influence the road safety in negative way. Place the CarOffice products in a safe place when you start driving.
